

H. D. S. J. 29

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s): Pak et al.) Group Art Unit: 1653
Serial No.: 09/700,869) Examiner: Bugaisky
Confirmation No.: 7983)
Filed: 3 July 2001)
For: CALCIUM CHANNEL REGULATORS

INFORMATION DISCLOSURE STATEMENT

U.S. Patent and Trademark Office
2011 South Clark Place
Customer Window, Box Sequence
Crystal Plaza Two, Lobby, Room 1B03
Arlington, VA 22202

Sir:

In compliance with the duty imposed by 37 C.F.R. § 1.56, and in accordance with C.F.R. §§ 1.97 *et. seq.*, the materials enclosed herewith are brought to the attention of the Examiner as possibly being of interest in connection with the above-identified patent application. Consideration of each of the documents listed on the attached 1449 form(s) is respectfully requested. Pursuant to the provisions of M.P.E.P. §609, Applicants further request that a copy of the 1449 form(s), marked as being considered and initialed by the Examiner, be returned with the next Official Communication.

It is believed that no fee is due, as this Information Disclosure Statement is filed prior to the receipt of any Action on the merits. However, in the event a fee is due, please charge any fee or credit any overpayment to Account No. 13-4895.

Applicant(s): Pak et al.

Serial No.: 09/700,869

Confirmation No.: 7983

Filed: 3 July 2001

For: CALCIUM CHANNEL REGULATORS

The Examiner is invited to contact Applicants' Representatives at the below-listed telephone number, if they can be of any assistance during prosecution of the present application.

CERTIFICATE UNDER 37 C.F.R. 1.10:

The undersigned hereby certifies that this paper or fee is being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 CFR §1.10 on the date indicated below and is addressed to the U.S. Patent and Trademark Office, 2011 South Clark Place Customer Window, Box Sequence Crystal Plaza Two, Lobby, Room 1B03 Arlington, VA 22202
